## A Message from the President

Mga Kababayan, Friends, Family, and ohana,

We have all struggled these past few weeks in our own ways, but let's not forget that there is always a flickering light in the distance, a light that symbolizes hope, faith, and love.

This pandemic allows us to reflect on the important things in life such as love towards others and towards ourselves. Lastly, elections are coming up and if you want to be part of the Planning Committee, let us know via email, Facebook, or Instagram. Stay safe!

Salamat,  
Randy Cortez  
President
