## A Message from the President

M"Brrr" and "ber" - signs of perennial Fall and Winter seasons, even in Hawai`i nei. Oh my, the months of September, October, and November have come and gone. The last month of the year, December, is finally upon us. "Do everything in love." - 1 Corinthians 16:14. As we reflect on this past year and the unprecedented struggles and blessings we all endured, let us not forget the power of LOVE. Above all else, LOVE allows us to come together, in perfect harmony and perfect unity. Despite the mountain of tensions around us, let us rise above and LOVE one another as we welcome the New Year and the advent of hope it brings. Maraming Salamat po/Agyamanak/Daghang Salamat mga Kababayan for a great and fulfilling year!

Salamat,  
Randy Cortez  
President
